6 March 2020

Dear Parent/Carer

## RE: Miss Wren

The Governors and I would like to inform you about some health news affecting Miss Wren.

Miss Wren has been diagnosed with Goodpastures disease. This is a rare condition that causes inflammation of the small blood vessels. This has affected her kidneys and lungs.

She is undergoing treatment and will not be at work for a significant period of time in order to ensure her medical plan is followed.

During this interim phase, I am stepping up to full time Headteacher. Mr Shane, Mrs Farmery and Mrs Donley will be taking on further responsibility to strengthen the leadership team at this time. I will be telling the pupils today during assembly.

We are sure you will join our staff and pupils in wishing Miss Wren a speedy recovery and keep her in your thoughts and prayers at this time.

Yours sincerely

Miss J Wellbelove  
Co-Headteacher

Mr H Peters  
Chair of Governors
