---

19 March 2020

Dear Parent/Carer

## Closure Update: 19.3.20

As you will know, the Government has decided to **close** all schools in the **UK from Monday**. This is to support the slowing of the spread of the coronavirus. This will be for the vast majority of our pupils. The Government has said that we will support a select group of pupils.

I would like to reassure you that our staff will continue to set and update work and Class Dojo and keep communication links going, as we want to ensure that our South Hill community, although not at school, remain close during this time.

**Home Learning** is currently on the front page of the website and will take the learning up to Easter. There will be no work set during the Easter holiday. After this time Home Learning will be updated weekly by the teaching staff. We aim to post a new update on a Monday. Please feel free to adapt/adjust the work to suit the needs of your child. We will also be adding fun and engaging activities which can be carried out at home. We are hoping this will support learning and a form of routine during this time.

We will not be sending Reading Books home. Please look at our website under, 'Curriculum/Literacy,' for recommended reading lists.

We will also continue to read and receive emails at our *admin* address and be a support network and offer advice regarding the wellbeing and education of our pupils as best we can. Please feel free to contact us as a network of support.

I will continue to keep you updated with events affecting the school as I receive them.

May I thank you all for your continued support during this challenging time, thank the devoted and professional South Hill Team and thank your amazing children as we experience this together.

I would like to wish you the very best for the coming months, to keep well and take good care of your families as we tackle this new phase in our lives.

Yours sincerely

*J Wellbelove*

Miss J Wellbelove

Co-Headteacher
